<p>VERSE 1</p>	<p>Woke up, spoke up, broke up and then I felt the sunshine Right then I realised being me was just fine My choice, my voice, my way of stayin' true My better life without you.</p>
<p>CHORUS 1</p>	<p>Cos it's a new dawn on a new day, I got clear skies, nothing in my way No one to bring me down, won't be sad you're not around It's a new day, a new day me. Doo doo-be-doo, <i>new day me</i>.</p>
<p>VERSE 2</p>	<p>So now the story's changed, I wrote a new draft A story of finding me and never looking back Rewrote my history, backspaced all your chapters Now I've given myself my <i>happy ever after</i>.</p>
<p>CHORUS 2 (double)</p>	<p>It's a <i>new dawn on a new day</i>, I got clear skies, nothing in my way No one to <i>bring me down</i>, won't be sad you're not around It's a <i>new day</i>, a new day... It's a <i>new dawn on a new day</i>, I got clear skies, nothing in my way No one to <i>bring me down</i>, won't be sad you're not around It's a <i>new day</i>, a new day me.</p>
<p>BRIDGE</p>	<p>Sing it out, sing it proud Won't be scared you're not around Feeling free, feeling fine It's a new day in the sun—shine.</p>
<p>INSTRUMENTAL</p>	<p>Doo doo-be-doo, <i>new day me</i> x 3</p>
<p>CHORUS 3 (double)</p>	<p>It's a <i>new dawn on a new day</i>, I got clear skies, nothing in my way No one to <i>bring me down</i>, won't be sad you're not around It's a <i>new day</i>, a new day... It's a <i>new, new dawn on a new, new day</i>, I got <i>clear, clear</i> skies, nothing in my way No one to <i>bring me down</i>, won't be sad you're not around It's a <i>new day</i>, a new day me. Doo doo-be-doo, <i>new day me!</i></p>
